Instructions/ instrukce:

Pupils get in pairs or groups of 3-4 and try to match the pairs of sentences.

Then they as a whole class try to translate the sentences.

There might be smaller groups to match only some of chosen pairs of expressions.

Žáci pracují v párech nebo ve skupinách o 3-4 lidech a přiřazují k sobě věty. Poté je překládají. Mohou pracovat i v párech a řadit k sobě jen několik vybraných výrazů z celkového množství.

Optional/ další možnosti:

They can add the new expressions in their notebooks.

They can then use the first part to tell their partners and they will have to create the answer themselves.

Pupils can divide the sentence according to : sudden decision

prediction

promise

I think, I hope, I'm sure

Zapíší si nové výrazy do sešitů.
